

## Federal Motor Carrier Safety Regulations for Drivers

### Course Description

This course is designed to provide participants with information regarding the operation of a Commercial Motor Vehicle (CMV) in compliance with the requirements in the Federal Motor Carrier Safety Regulations (FMCSR). Course participants have the opportunity to use current copies of applicable regulations and gain familiarity with those regulations. This training meets the requirements found in 49 CFR 177.816 and 49 CFR 390.3(e).

### Materials Provided

Each participant receives a current Pocket Edition of the Federal Motor Carrier Safety Regulations, a Driver's Hazardous Materials Pocketbook, student manual, course exercises, and other classroom materials.

### Examination

Successful completion is achieved with a passing score of 80% or better on a written exam.

### Record Keeping

Successful participants receive a certification stating that the training meets the requirements of 49 CFR 172, Subpart H and 390.3(e).

### Who Should Attend?

Any person who in the course of employment, operates a CMV and/or requires a CDL.
